My favorite place to
visit in India is

Udupi. We go there
once in every two years. I

have lot of relatives in

Udupi. My grandparents, uncles,
aunts and cousins live there

But my favorite is my
cousin Nikhil. He is bigger
than me. I like to play
tennis with him.

The other thing I like about

Udupi is going to temple

I like to go to Krishna

temple and feed the

elephant bananas. I liked
when the monkeys ate the
coconuts. I liked to play with
the cats. I like the calf
and the cow.

I like the beach the
best. I like the camel
ride the best in the
beach.

I wish Udupi was closer to
my house so that I can
go there more often.
